<p>The Calgary Highlanders have been in action in France since early in July and during this time Captain G.B. Wood has been in command of Headquarters Company. In this capacity he is responsible for administrative details of the battalion including disposing of Committees of Adjustment for deceased and wounded personnel. Conditions under which this officer has had to perform his duties have been extremely difficult and frequently he has had to work under heavy mortar and shell fire. No circumstance has been permitted by him to interfere with the job in hand and at all times every detail has been arranged for the forward troops regardless of personal discomfort or inconvenience.</p> <p>The extremely efficient and conscientious way in which this officer has at all times and in all circumstances conducted the administrative affairs of his battalion have proved of inestimable value to his Commanding Officer.</p>	<p><i>D.G.
